

Remember to STOP for our supervisor

A school crossing supervisor is supporting our school each morning and afternoon to increase safety for children. Please support this initiative by encouraging children to use the supervised crossing and driving safely near the school.

Our crossing supervisor is responsible for controlling a busy environment, which includes managing the flow of pedestrians, cyclists and motorists during peak times. It is important for motorists to drive at a speed which allows them to safely stop when the supervisor enters the road. Motorists should wait until all pedestrians, including the supervisor, are completely off the road prior to driving over the crossing.

The school community is encouraged to familiarise themselves with the basic crossing supervisor procedures:

- The supervisor will ask pedestrians to wait in a safe location by the side of the road
- When it is safe, the supervisor will stop traffic
- The supervisor will blow their whistle twice to indicate it is safe to cross.

The School Crossing Supervisor program is delivered by Transport Canberra and City Services' [School Safety Program](#). If you have any feedback about the program, please contact TCCS.

Please be patient, polite and respectful to our supervisor, they are committed to keeping our students safe.
