

## **Year 5/6 Spotlight**

### **Getting to know you**

We have a wonderful week getting to know all of the students and teachers in our unit. We have had fun doing a range of activities including:

- All about me soccer ball
- Two truths and a lie
- Kahoot
- Identity portrait
- Letter to future self which students will open at the end of the year
- Cooperative games

### **Responsible Learners**

We explored the ways in which we can be active learners in the classroom. We looked at things to add to our 'dilly bag' to help us with our learning and things to take out which might be stopping us from reaching our full potential. We are beginning to set learning and social goals to support us in our very exciting year ahead.

### **Open Morning**

Last Friday we welcomed our families into our classrooms and showcased our learning within the classroom. We provided a range of learning opportunities in which we all participated in. We all had a fabulous time! The whole unit participated in an enormous game of silent ball after our families had left to reinforce our strong cohesion as a group.
