
Third Party Provider Consent Form

Dear Families,

Ngunnawal Primary School is committed to providing a technology rich environment for our students as our community believes the use of Information and Communication Technology (ICT) is fundamental in assisting teaching and learning in all areas of the school curriculum.

The use of web based learning resources and cloud based storage has risen steadily over the last decade and are increasingly being used by teachers across the Education Directorate to improve student learning outcomes.

Teachers make decisions designed to assist children in their learning. Sometimes it is beneficial for the child to utilise services provided by third party web based providers. Types of services provided by these service providers include online content creation, collaborative tools, online educational games and various administrative programs for tracking children's assessment data.

As our school wishes to register with a number of web based service providers that require some personal information, I am obliged under *the Information Privacy Act 2014* to advise you of the reasons for collecting the information, what will be done with it, the consequence of not collecting it and who else may have access to it.

If you fill in this form, Ngunnawal Primary School will use the information provided to observe your wishes in respect of enabling your child's to access PAT Maths, Reading Eggs, Seesaw and PTO. These sites have been identified as being a useful component in the teaching programs and administration at Ngunnawal Primary School. To assist you in deciding whether to give consent, the sites identified are listed below/overleaf with the description of the type of service/program together with the website address and a link to the provider's privacy policy and terms and conditions of use. You are not required to consent – this is a matter entirely at your discretion.

If you do not consent to supply us with this information your family will not use these sites.

Normally we will not use or disclose this information for another purpose, without your consent, unless you reasonably expect us to use or disclose the information for a related purpose.

The Education Directorate has a privacy policy that explains how we handle personal information, including how we handle privacy complaints. The policy is available on the Education Directorate's website, www.education.act.gov.au, on the [Publications and Policies](#) page.

Please indicate your consent/non-consent for each of the services listed by ticking the appropriate option, signing this form and returning it to the school to record on your child's file.

Kind Regards,
Rebecca Turner
Principal
