

Japanese 日本語 (nihongo)

All Ngunnawal students have been working hard in Japanese. Year 1-6 did a fantastic job of trying some calligraphy near the end of term 3. All students in years 3-6 have been doing a great job working their way through our "karate belts" as they memorise their hiragana characters. We are excited to spend some time celebrating Japan and learning more about its culture with our whole school Japanese day coming up in Week 7.

Kindergarten:

Kindergarten students are becoming experts at saying colours and numbers in Japanese. They did a fantastic job of making some books about colours.

Year 1 and Year 2:

Students have been using their reading and decoding skills to understand many simple stories. They are now creating their own books about their favourite animal.

Year 3 and Year 4:

Students are working on [common phrases for shopping. They have been very enthusiastic about creating some short shopping skits.

Year 5 and Year 6:

Students have been looking at school life in Australia and Japan. They were able to list common items at school and are busily working on writing a letter explaining their school life to a person who had never been to school in Australia.
