

Ngunnawal Primary School Action Plan 2021

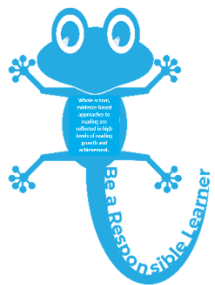

All students learn at high levels within a safe and supportive learning culture through:

Embedding a universal approach to student wellbeing as outlined in the NPS Wellbeing Framework.
Implementing a whole school approach to curriculum which reflects equity, inclusivity and relevance to all students.
Enhancing partnerships with community through the Parent Engagement Project.

The school equips students with the capabilities and dispositions to live and learn in the future world through:

Enhancing capacity of staff to incorporate Aboriginal and Torres Strait Islander perspectives across the curriculum using the 8 Ways of Learning Framework.
Developing a P-6 Digital Technology Strategy.

Whole school, evidence-based approaches to reading are reflected in high levels of reading growth and achievement through:

Deepening Reader's Workshop as the whole school approach to teaching reading.
Embedding the 10 Essential Literacy Practices P-6.
Embedding a feedback on practice model aligned to Reader's Workshop and the 10 Essential Literacy Practices.
Empowering teachers as leaders to embed the practices and philosophies of Professional Learning Communities.
