**General
Drop Off and
Pick Up**

Riding and Walking to School

The red arrows indicate gates that will be open for students to enter. The back gate is closed due to vehicle access to the building site.

Where possible we encourage you to walk or ride to school to ease the congestion in the car park. There will be a staff member on duty from 8.30am in the courtyard so parents have the option to drop children close to 9am and send them in to the courtyard. When the bell goes children will be directed to line up by the teacher on duty. Please avoid the front of the school where drop off and pick up occurs for people in cars.

Consider a part way point for older students to meet you outside of the school grounds.

Transitions at the beginning and end of each day

The school will be heavily reliant on our families maintaining social distancing at this time. We ask that you **do not enter the school unless your child requires your support**. Please say your goodbyes where possible outside of the school gate and direct your child into the courtyard. Your family may identify a new meeting point for pick up, the oval is a great option where you can socially distance.

K-6 Car Park - Unaipon Ave

We are asking all people using the pickup zone to write their child's name on a piece of paper and stick it on the passenger side window when entering the pick-up zone. This will assist us to locate your child and direct them to the car efficiently. Please be patient, this process will take us some time and stay in your cars.

Drop Off

We are asking adults to remain in their cars for pick up and drop off where possible. We know some children will struggle with transitioning back to school, our friendly staff will support you if needed.

The school will have several staff in the carpark each morning to support families to drop their children off. There will be staff on duty in the courtyard to provide supervision before 9am.

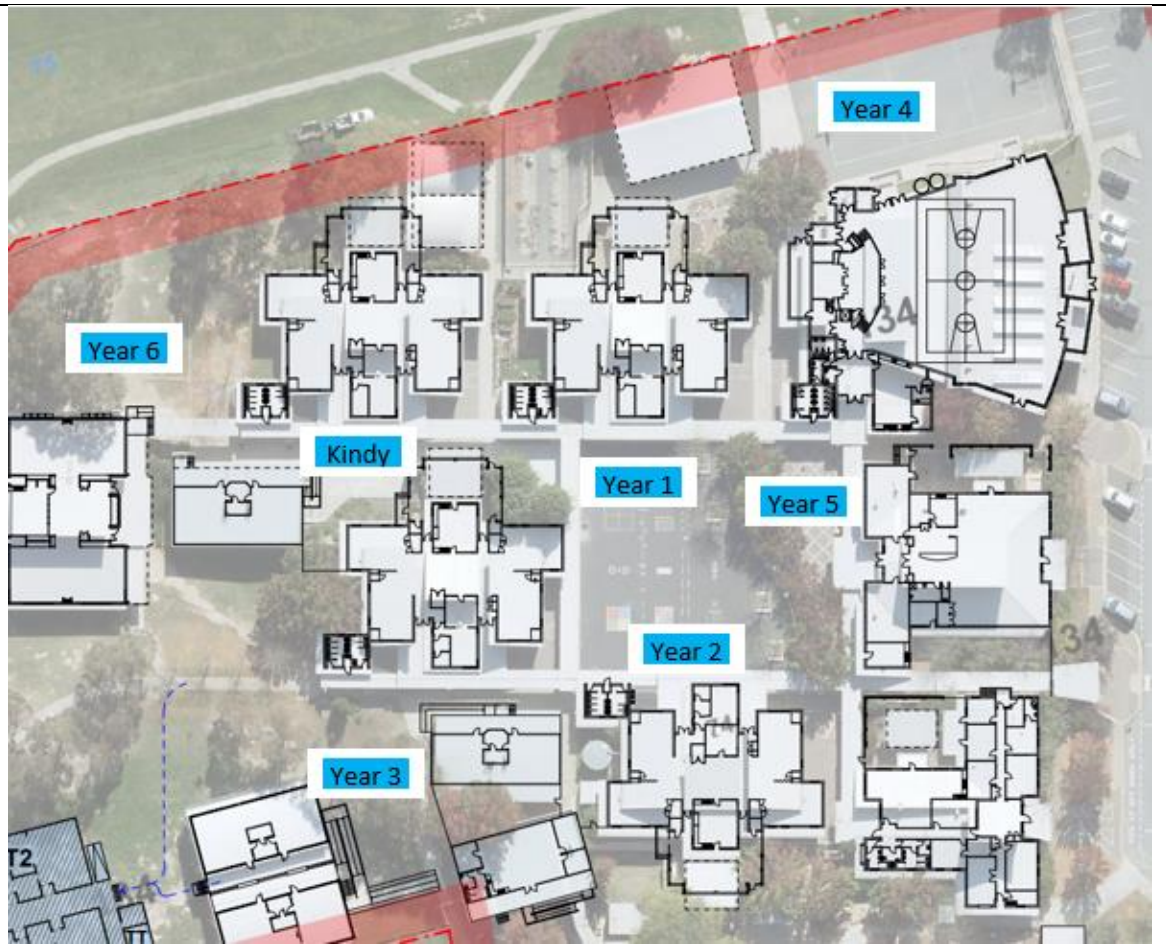

Pick Up

Pick up in the front carpark will work in the same way, please remain in your car and we will direct students to you when your car has stopped moving.
