

Ngunnawal Primary School Action Plan 2022

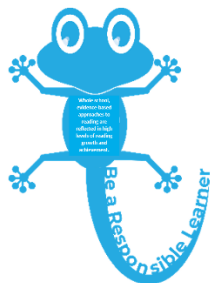

All students learn at high levels within a safe and supportive learning culture through:

Strengthening universal approaches to student wellbeing. *See: NPS Wellbeing Framework.*
Prioritising connecting with community and reigniting community involvement in the school.

The school equips students with the capabilities and dispositions to live and learn in the future world through:

Deepening Aboriginal and Torres Strait Islander perspectives across the curriculum using the 8 Ways of Learning Framework. *See: NPS Pedagogical Framework*
Amplifying First Nations voices in our sphere of influence.

Whole school, evidence-based approaches to reading are reflected in high levels of reading growth and achievement through:

Consolidating the workshop model as the whole school approach to teaching reading. *See: NPS Pedagogical Framework*
Embedding a feedback on practice model aligned to the workshop model and the 10 Essential Literacy Practices. *See: Building Capacity Guide*
Reviewing Response to Need (RTN) to strengthen adjustments for students who require additional support. *See: RTN Guide*
