

Our Ngunnawal community is amazing! It is wonderful to share that our Cookie Dough fundraiser was a success! We want to thank you so much for your efforts in supporting our fundraiser and our school.

Cookie dough orders are expected to arrive **Wednesday 6th April**. To help us follow social distancing guidelines it is important to plan your pick up ahead of time. For those families who have not yet let us know when they are able to come, here are the options: [**please contact us to let us know your preference**]

- * **Small Order** - We can deliver your order to your child's classroom
- * **Large Order** - Please come between 1-2pm or 330-430pm to ensure you are able to find a car park.
- * **After School Care** - We can leave your order with the After School Care Team.
- * **Drive-by pick up** - We can bring your order to your car at these times: 1pm-2pm or 330pm-430pm.
- * **Unable to get there** - please let us know asap so we can arrange a suitable alternative.

Pick up will be from the grass area behind the canteen [in between the hall and library]. You do not need to enter the courtyard to access this area. Please get in touch if you are unsure of the location.

We are also seeking helpers to sort out the tubs. This is a huge job so if you are free anytime between 11am-3pm on Wednesday 6th April please let us know. We would really love some help!

The P&C does not receive any contact details for families from the fundraising company so we are not able to contact you on the day. Please reach out to let us know how you would like to pick up your order.
