PRESCHOOL
HOT SHOTS
at Melba

Are you keen for your child to get outdoors and be more active?

Are you looking to help your child develop fundamental motor skills and coordination through tennis?

Are you searching for a proven program that will leave your child begging to come back – run by the best coaches in Canberra?

Preschool Hot Shots is a new junior class from On the Line Tennis, designed to give preschoolers fundamental perceptual motor skills – the building blocks of tennis development.

Our 'Hot Shots' tennis development system and our friendly and engaging coaches are a great recipe for fun and athletic development at the same time.

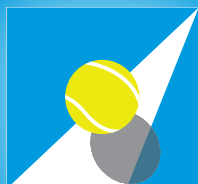

Lessons are in a timeslot designed to fit in with your schedule and your child's energy patterns.

Tennis is for any stage of life – you're never too young (or old!) to start. So if your child is 2½ years or older, drop the older kids at school and come and join the fun and excitement at On the Line Tennis.
