Hockey gala day

The hockey gala day was a very cold and rainy day but it didn't stop Ngunnawal. One team was undefeated and won the day and the only game the other NPS team lost was vs the other Ngunnawal team! There were heaps of goals scored by Ngunnawal. It was a fun day for the students who went.

Welcome to NPS News term #2

NPS News will be a newsletter just for kids. It will be created by the SRC Communication team. It will involve all the amazing learning and activities happening at our school. We look forward to bringing you all the current events and news at Ngunnawal Primary School.

National Walk Safely to School Day

**is on Friday 19th May, Week 4.
The goal of the day is to teach kids to walk to school safely, doing things like holding an adult's hand if they are under 10 years old while crossing the roads. The location that we will all meet at is Homestead park, near the Ngunnawal shops. There will also be volunteers joining us. If you are interested, please ask your teacher or look at the posters around the school.**
