The Online Safety Education team are committed to supporting school communities to develop their online safety skills and knowledge. The team aim to increase the number of safe and positive online experiences students have and reduce the number of online safety incidents that impact on learning environments.

There are multiple webinars running each term with both afternoon and evening times available that will help your family be more confident and safer online by:

- understanding online safety and risks young people face
- learning strategies to prevent and respond to online issues
- supporting your child to be safe online
- knowing where to go for further support.
