

2024 P&C News - Newsletter Term 1 Week 5

Welcome to your P&C update. To get in touch with us on any of the announcements below, please send us a message on Facebook or email us at ngunnawalpandc@gmail.com

Bingo Night Fundraiser

We sincerely appreciate all of our wonderful school community who attended what was a fun and entertaining evening. Over \$400 was raised for the P&C!

Book Club orders

We would like to remind everyone that our preferred ordering method for Book Club orders is online. Orders can be made online at <http://www.scholastic.com.au/LOOP> or via the LOOP app - you will be prompted to select your child's school and class during the ordering process.

All book club orders are processed on the due date, delivered to the school, sorted by P&C volunteers, and then delivered to your child's classroom teacher. Online ordering makes this process faster and easier for our volunteers.

If you do need to order with cash, we remind you that orders must be delivered to the canteen before the due date. Orders should be enclosed in a sealed zip-lock bag with exact money provided, along with the order form completed correctly with your child's name, class, and contact information. To avoid any mistakes, please use online ordering wherever possible.

Issue 1 book club orders are now closed, and the orders have been distributed. Keep an eye out for Issue 2 catalogues coming home in Week 7, with orders for that issue being due by 26 March. You can also view the current issue catalogue online, and submit your order at <http://www.scholastic.com.au/LOOP>

Picture Products are back for 2024.

Imagine your child's drawing printed on a 25cm melamine plate that is dishwasher safe and tough enough to use every day, or on a clock that is displayed proudly in the home.

Items that can be ordered include plates, clocks, water bottles, tote bags, mugs, pencil cases, and calendars. Prices range from \$20 to \$35. A full list of items can be found on the Picture Product website: <https://www.pictureproducts.com.au/products/>

Drawing Tips!

Here's how to get the best result for your child's beautiful artwork.

- Use strong, bright marker pens, paints, craft dyes, and good quality photos. You don't have to use special pens, just make sure the colours are bright and bold.
- Don't use pencils, crayons, metallics, fluoros or glitter. These don't show up very well on the finished product.
- Draw inside the drawing area marked on the template. We do our best, but up to 2cm can get trimmed off from one or more edges during manufacture, so make sure to keep important names and dates away from the edge.
- Write your child's name in the box in the top right corner and write the number of copies you'd like in the box below. Some drawing paper templates are used for more than one product, so make sure you are filling out the right box.
- Photos should be glued in place well. Large, bright close-ups are best as they will slightly blur and darken during manufacture.
- Some products may have features like clock hands or calendar hangars inside the drawing area. Be aware of these when placing your photos—nobody wants a clock mechanism between the eyes!
- Any marks in the drawing area may show up on the final product. Rub out any pencil marks properly or use a fresh sheet of drawing paper.
- Don't roll, fold, or crease the paper. Keep it flat and free from damage.

Secondhand School Uniform Shop

The Secondhand Uniform shop is open every Wednesday from 9am - 10am. Pop by the canteen and ask for Kat. Items are \$1 - \$5 and card or cash payments are accepted. Follow us on Facebook for regular updates.

We happily accept donations of secondhand uniforms in good condition. We cannot accept clothing that is marked, discoloured, broken buttons/zips, or items that are not Ngunnawal colours.

Please contact Kat directly if you have any questions - [0417 393 887](tel:0417393887)

Remember, we also have sustainable, comfortable hemp school uniform options for you to check out. Available to try on in sizes 3 - 16, all with Ngunnawal logo. We have limited stock on hand to sell for \$32.95.

Lost Property

Has your child lost a uniform item or personal property at school? Please check the lost property to see if it is there. There are 2 green lost property bins located outside the library (these bins are emptied and the property sorted every Wednesday). Sorted lost property is located on a rack just inside the entrance to the school gym.

It is a timely reminder for parents to label/name your child's jumpers, jackets, hats, water bottles etc to ensure that it can be returned to your child when the lost property is sorted.

School Canteen

Use the

 app to check the menu and order your lunch orders.

Remember: Canteen orders need to be in by 9:30am each day.
