Election book fair

Down at Ngunnawal today, we came across a different charity event alongside the usual democracy sausages and cake stalls. The book fair, run by local librarian Emma Micallef, was assisted by students and was getting a lot of love from parents and voters. We asked Emma what her favorite book on sale was:

"'Neil the Boring, Amazing Sea Cucumber' because it's such a juxtaposition of how exciting a sea cucumber can be."

While not political in nature due to the main customers being family and young children, it was exciting to see other endeavors on display alongside the delicious BBQ and cake stalls.

Our final Author Talk for this year with Susea Spray

Week 1 - Term 4

Over 2 days, Susea shared her knowledge of sailing the seas and becoming an author with our Kindergarten and Year 1 students in the library.
